

A Note from the Kids' Club Director

It is hard to believe that the summer season is upon us!! It is with great pleasure that I have been asked, once again, to coordinate a third year of this wonderful program. I am excited to welcome all the new families and anticipate the return of many familiar faces.

Throughout the summer there will be many fun, creative opportunities for your child to participate in. I have carefully planned many engaging and innovative experiences for your child. I am certain that the 2011 Kids' Club will be a great experience, not only for the children, but for the families as well.
